“It’s the images that will bring back
the joy of your special day.”

Hi, I'm Kuba

I am stoked you've stumbled upon my work and I believe it happened for a reason! I'm Kuba and I'm a Polish wedding photographer based out of beautiful Costa Rica. I specialize in destination weddings and over the last decade, I have captured numerous tales of love in different parts of the world, from Europe to the Americas.

I'm really passionate about what I do. I've always been attracted to people and their stories. Photography has allowed me to witness many unforgettable moments and be part of them which I'm grateful for. According to the couples I have photographed, I have a warm, kind, and easygoing personality. I am a strong believer in the human perspective and when not photographing weddings I often travel and capture stories for NGOs'.

Coming from a background of painting with a master's degree in fine arts has given me a unique style and perspective.

My Approach

For me, a wedding is all about you and your loved ones. I see weddings as stories, tales of romance, love, friendships, moments of happiness, and unique reunions. Family histories not only go back generations but also last for generations to come.

I am a natural-light photographer and I capture things in a candid, natural, and artistic way. It's important to me that you enjoy your special day. That's why I've been known to photograph in an unobtrusive manner. I try not to influence situations, only giving direction as needed. I prefer to let the day happen as it should.

Ultimately, my goal is to craft images that will be cherished for a lifetime

F.A.Q

FREQUENTLY ASKED QUESTION.

Q

Where do you work?

A

I'm based in Costa Rica, and I work primarily in Central America, which includes Costa Rica, Nicaragua, and Mexico. These are amazing locations that I get to shoot. But I'm available to photograph worldwide.

Q

Do you edit all of the images?

A

Yes, I do all of the editing myself! After going through all of the images with great attention to detail, I choose the best ones for you. Then, I edit each photo individually, mostly for color, and exposure.

Q

Can we add an additional photographer to the package?

A

Of course. Just let me know what you would like and I can prepare a package suited to your needs!

Q

Can we meet up?

A

Of course. I think it is very important to get to know each other. It helps create a great rapport and trust before the special day arrives. Let me know what is the best way to get into contact or meet up, we can always arrange a Skype/Face-time call.

FREQUENTLY ASKED QUESTION.

Q

Do you do both weddings and elopements?

A

Yes, I cover large traditional weddings as well as small intimate elopements. Many people overlook elopements, but they are a great way to strip away the stress of planning a large wedding while allowing you to concentrate on what matters the most: the celebration of your love.

Q

What is your turnaround time?

A

It typically takes between four to six weeks to deliver the full gallery of the wedding. Three days after the ceremony you will receive a sneak peek of some of your images.

Q

How do we book the date?

A

The best way to contact me is via my contact form on my website. I'd love to hear your story and connect with you. If I am available on the requested date, I will send you everything that you need to know.

The next step is to simply confirm and book the date, which includes specifying exactly which services you would like to purchase.

Then, I will email you the contract. All you need to do is simply sign and return the contract, pay the retainer (the amount dependent upon which package you select), and that's it! Once I've received everything, your date will be confirmed!

I'd love to hear from you!
